Dear Mr Howe

**PRODUCT(S) AUTHORISED FOR USE UNDER THE OFFSHORE CHEMICALS  
NOTIFICATION SCHEME**

Please find enclosed OCNS template(s) for your company's product(s) listed below, which have been accepted onto the List of Approved Products suitable for use by the offshore oil and gas industry.

The templates include a Registration number, expiry date and template version number for each product. Version numbers increment whenever changes have been made to data on a product that affect the information shown on the template. You should always ensure that operators wishing to use your company's chemicals are provided with the highest numbered template in your possession. The highest version number can be obtained from the Ranked Lists on the Cefas OCNS website.

Registration numbers provide a unique identifier within the regulators' electronic data systems, and expiry dates will assist you in the provision of up to date information to your customers.
